Frequently Asked Questions

What do I do if I need to speak to a Guidance Counselor?

Students should speak with our Guidance Secretary, Mrs. Brenner, to set up an appointment. Before going to set up an appointment or speak to a Guidance Counselor, students are expected to ask their current class period teacher for permission to go to the Guidance Office. If you plan to speak to a counselor between classes, you should let your upcoming class period teacher know that you are going to the Guidance Office.

Who do I see to change my class schedule?

Students are expected to see either Mr. Bennett or Ms. Kaplin in the Guidance Office to add or drop a class. All requests to speak to a Guidance Counselor should go through our Guidance Secretary, Mrs. Brenner, to set up an appointment. Changes to a student's schedule can only occur within the first ten days of each school year.

If I am interested in college in high school or CCBC classes, who do I speak to?

Students should speak with Ms. Kaplin in the Guidance Office.

If I want to go to CTC, who do I speak to?

Students should speak with Ms. Kaplin in the Guidance Office.

If I would like to know more about available college scholarships or SAT testing, who do I speak to?

Students should speak to either Mr. Bennett or Ms. Kaplin in the Guidance Office.

Do I need to change for gym class?

Yes, all students (except those with medical excuses) are required to change clothes for gym class. Please see our physical education dress code on page 12 of this handbook.

Who do I see if my laptop breaks? Do I have to pay for it?

Students who have a laptop issue should see the Technology Help Desk. This is typically located in the faculty room next to the Guidance Office. Hours will be posted and announced. Students are responsible for **any** damage to their laptop and are required to pay for the damages. Freedom's Acceptable Use of Technology policy is located on page 70 of this handbook. For an estimate of the cost of certain repairs, please see page 76.

Who do I see for a parking permit or driver's theory papers?

To apply for a parking permit or the driver's theory program, students should see Mrs. Keener in the Main Office.

When is athletic and extra-curricular eligibility determined?

Grades are pulled no later than 8:00 AM. on the first school day of every week. Student eligibility for the remainder of the week (and weekend) is determined from these grades. To see Freedom's athletic and extra-curricular eligibility requirements, see page 16 of this handbook.

Who do I see if I have a problem with a coach's decision or team management?

Students and their parents/guardians are first expected to meet with their coaches to attempt to work out the issue. If a resolution that is acceptable to both sides is not agreed on, students and their parents/guardians are expected to take the issue to our Athletic Director, Mr. Rosa.

Who should I see for a question or concern about student services? (Discipline, programs, events, clubs, etc.)

Students are expected to see the Assistant Principal, Mr. Smith, in relation to any student services.

Who should I see for a question or concern about grades or the teaching curriculum?

Students and their parents/guardians are first expected to contact their teacher in regard to any grade or teaching issue. If a resolution that is acceptable to both sides is not agreed on, student and parent/guardian concerns about grades or the teaching curriculum should be addressed with the Principal, Mr. Deal.

If I need to speak to someone about tobacco, drugs, or alcohol who can I see?

Students can speak with Mrs. Martz in the Guidance Office if they or someone they know is having problems with tobacco, drugs, or alcohol.

If I or someone I know is being bullied, what should I do?

With any cases involving bullying, students should speak to an adult staff member in the building **as soon as possible**. The most appropriate response would be to notify the Assistant Principal, Mr. Smith.

*Academic Assistance Period

Academic Assistance Period (AAP) provides an extended period at the end of the day where students will be able to view DTV and have access to all of their teachers for the support of the school curriculum. The program provides a time for teachers to identify and work with students with documented learning differences to assist them in reaching their highest potential within the rigorous academic environment at Freedom Area High School. Below is a list of the options students have during the Academic Assistance Period:

- Sustained Silent Reading (SSR)
- Targeted Assistance in Content Area (Tutoring); Remediation for At-Risk Students
- One-on-One or small group extended learning sessions
- Work and Test Make-Up
- Student Activity Meetings
- Need-based strategy and skill development in reading, writing, mathematics, and science
- Communication with parents, content-area teachers and guidance staff
- Test prep instruction for college entrance and state-mandated exams.
- Counseling/advising for ALL Freedom students in areas concerning academic, social, emotional, and post-secondary concerns and/or planning.

The Academic Assistance Program is not a special education program. The extra support and encouragement of AAP is designed to give students the tools to achieve and maintain the highest level of academic excellence possible here at FAHS. Academic Assistance Period is not meant for social time. There are times when student activities meet, teachers may collaborate, and/or meetings with parents may be held; however, these social meetings all have an academic purpose that supports the overall mission to help all students experience success at Freedom Area High School.

ACADEMICS

CHANGES IN PERSONAL INFORMATION

Students must report all changes in personal information to the office ASAP (address, phone number, etc.). **A completed Emergency Medical form must be submitted to the office each year for each student.**

CLASS RANK AND GPA

- Weighting will be applied to final grades in Honors and Advanced Placement classes: the final grade percentage in an Honors class will be multiplied by 1.05 and the final grade percentage in an AP class will be multiplied by 1.1. Report Cards and Permanent Transcripts will display the “un-weighted” percentage. A final, un-weighted percentage grade less than 60% in an Honors or AP class will be a failing grade, regardless if the GPA weighting elevates the grade to a 60% or higher.

CLASS STANDING

Class Standing is determined by the number of credits earned:

From Grade	To Grade	Credits Earned by September 1 st
9	10	4 – Minimum Credits
10	11	12 – Minimum Credits
11	12	20 – Minimum Credits
12	Graduation	28.0 Minimum Credits*

*See Graduation Requirements

DUAL ENROLLMENT

Students from Freedom Area School District are permitted to supplement their education with independent coursework from an approved provider. This details the terms and conditions of these programs and must be endorsed by all parties listed below, before the student is enrolled in the requested program.

Programs:

Dual Enrollment: Freedom Area students take College Courses and receive both college and high school credit. CCBC and Penn State – Beaver Campus are the most common providers.

On-line Coursework: Freedom Area students enroll in high school elective courses online and complete the coursework during a regularly scheduled study hall in a computer lab.

Independent Study/Correspondence Coursework: Where appropriate, Freedom Area students work independently with Freedom Area teaching staff. Depending on the circumstances, this may or may not include on-line assignments.

Terms:

- Participation in these programs requires administrative approval.
- Grades from these courses will be placed on the student’s high school transcript but will NOT be computed in the student’s high school GPA.
- The high school credits earned will be “elective credits” and will count as such toward the total credits required for graduation. (student must “pass” to earn a credit)
- These courses may not be substituted for a specific course that is a graduation requirement at Freedom Area High School.

- These courses will have no bearing on class rank and will not affect the eligibility for: Varsity Athletics, National Honor Society, Honor Roll, or Graduation with an Honors Standing.
- The deadlines for completing course assignments, deadlines for the course itself, and all grades for the course are determined solely by the course program provider/instructor.
- Students in the Dual Enrollment Program must see Ms. Kaplin for additional registration materials and instructions.
- Students in the Dual Enrollment Program who decide to “DROP” a college course must contact Ms. Kaplin and the Registrar’s office at the college.
- If a student in any of the above programs decides to “DROP” a course, the student or parent will be obligated to pay for any tuition, textbook and/or fees paid by the high school.

FIELD TRIPS

Field trips are scheduled by individual teachers as part of the academic program. Students may be denied the opportunity to attend field trips based on poor attendance, discipline or academic effort. **Academic eligibility for field trips is determined by the same standards governing athletic eligibility.** The decision will be made by the Administration and the teacher.

FINAL GRADE

Determination of the final grade in each class will be determined as follows:

1 st Nine Weeks Grade	20%
2 nd Nine Weeks Grade	20%
Midterm	10%
3 rd Nine Weeks Grade	20%
4 th Nine Weeks Grade	20%
Final	10%

GRADING POLICY

90 – 100%	Superior Work
80 – 89%	Above Average Work
70 – 79%	Average Work
60 – 69%	Below Average Work
0 – 59%	Failure

The student will receive zero credit for each unexcused day of class absence (see Attendance Policy for information about valid excuses. If a student was legally absent on the day that a test was announced, the test must be made up within three days or at teacher discretion.

GRADUATION HONORS CORDS (Using Weighted Averages):

Blue Cord	=	National Honor Society Member
Gold Cord	=	Summa Cum Laude Graduate (96 - 100)
Silver Cord	=	Magna Cum Laude Graduate (93 – 95.99)
White/Red Cord	=	Cum Laude Graduate (90 – 92.99)
Red Cord (Females)	=	Honor Graduate (87 – 89.99)
White Cord (Males)	=	Honor Graduate (87 – 89.99)

TEACHER POSTING OF ASSIGNMENTS AND GRADES ENTRY IN MMS

Teacher posting of assignments in MMS: Teachers must post in their MMS grade book any “to-be graded” assignments (including: tests, quizzes, homework, projects) before 8 AM on the following day they are actually assigned in class. Posting assignments in MMS before the day they are actually assigned is permissible. The assignment description, assigned date, and due date will be posted and available to parents, students and administration to view in MMS.

Teacher entry of grades in MMS: Grades for all assignments should be entered into MMS between two to four days from the due date; while no set delineation can be defined, the expectation would be closer to two days (from due date) for much of what is graded. Generally, grades for smaller assignments, for example, quizzes or homework, should be entered in MMS within two school days. Grades for larger assignments, such as larger written work, should be entered within a reasonable amount of time depending on the length of an assignment. Students who do not turn in an assignment on the date it is due will be given a zero for that assignment and the teacher should mark the assignment as “missing”.

GRADUATION REQUIREMENTS

Credits toward graduation are earned in Grades 9-12. Credits must be earned in the following areas:

*** All students are required to pass a Graduation Project in order to earn a diploma from Freedom Area High School.**

GUIDANCE DEPARTMENT

Our Guidance Department is available for the developmental needs of all students. Although each counselor carries specific assignments, each of them are available for consultation in the areas of career planning, college information, scheduling, parent conferences and special counseling.

Mr. Bennett: Student Scheduling, Standardized Testing, College/Career School Applications and Information

Ms. Kaplin: Career Education, CTC Students, Gifted Students, Scholarship Information

Mrs. Martz: Career Education, Student Assistance Program

HONOR ROLL AND HIGH HONOR ROLL:

Honor Roll status is based on an average grade percentage for a specific grading period. Course credit value and course weighting are a part of the calculation. Weighting will be applied by multiplying each Honors course by a 1.05 and each Advanced Placement course and college in the high school by a 1.1. Students who earn less than a 70% in one of their courses will not be considered for the Honor Roll. Students who have incomplete grades in one or more courses will not be considered for the Honor Roll.

High Honor Roll: 93 – 100%

Honor Roll: 87 – 92.999%

HOMEWORK

Students are responsible to see their teachers for any work missed because of an **excused** absence. The student has to make-up homework and other assignments within three days after returning from an excused absence. If a student misses an extended period of time (5 or more consecutive school days) and has excuses for the absences, the student/parent should initiate contact with the Attendance Office and request work to be sent home. Assignments missed during extended periods of excused absences should be submitted in a timely manner. It is each student's responsibility to see their teacher when returning from an absence to make arrangements for missed work. Parents may request homework in advance for known absences of three days or more. (Upon request, teacher may ask attendance office for total number of unexcused absences. **IF A STUDENT IS ABSENT ON THE DAY AN ASSIGNMENT IS DUE THEN THE ASSIGNMENT BECOMES DUE THE DAY THE STUDENT RETURNS TO SCHOOL. Homework not made up in a timely fashion will result in zero credit.**

MAKE-UP TEST POLICY

If the student was present on the day that the test was announced, then the student must take the test when he/she returns to school. If the student was absent on the day that the test was announced, then the student will have up to three days to make up the test. The number of days will be determined by the teacher with consideration of extenuating circumstances such as prolonged illness.

Note: If a student is late to school with an invalid excuse, that student receives a zero on the test that was missed. If the student has a valid excuse, then the test must be taken that same day by using a permit pass from another period or the student must stay after school to take the test. Also, if the student has a valid early dismissal note, he/she must take the test before leaving school that day. **It is the responsibility of the student to see the teacher in each of these circumstances or otherwise receive a zero on the test.** Extenuating circumstances will be reviewed by Administration.

NATIONAL HONOR SOCIETY

The selection will be determined by a five-member council that is chosen annually by the Principal and the NHS coordinator. Juniors and Seniors are considered. The minimum Grade Point Average is a 93% on the current 100 point, weighted, class rank scale. The faculty will evaluate each candidate in the areas of character, leadership and service.

The five-member council will use the following criteria:

- A. Student activity information sheet
- B. Student scholastic average
- C. Discipline records
- D. Attendance/Tardies in school
- E. Faculty evaluation survey on character, leadership and service
- F. Essay

The majority vote of the five-member council will determine entrance to the NHS. All students who are academically eligible will be considered unless notification indicating otherwise is given to the Principal.

Students must be in good standing to participate in the annual induction ceremony or be recognized at the Principal's Reception or graduation.

Members who fall below the standards that were the basis for their selection shall be promptly warned in writing by the chapter adviser and given a reasonable amount of time to correct the deficiency, except that in the case of flagrant violation of school rules or the law, a member does not have to be warned. The Faculty Council shall determine when an individual has exceeded a reasonable number of warnings. In all cases of pending dismissal, a member shall have a right to a hearing before the Faculty Council. For purposes of dismissal, a majority vote of the Faculty Council is required. A member who has been dismissed may appeal the decision of the Faculty Council to the principal and thereafter under the same rules for disciplinary appeals in the school district.

PARENT CONFERENCES

Parent conferences are welcomed at any time. Please call the school (724-775-7400) to make an appointment. Contact Mrs. Joyce Brenner, Guidance Secretary, to schedule an appointment with a Counselor. To schedule an appointment with the Principal or Assistant Principal, please contact Mrs. Linda Keener.

PHYSICAL EDUCATION CLASS - ATTIRE

All students are expected to change from the clothes they wore to school that day into physical education clothing for class activity. Students should also change out of their physical education attire at the end of class. Proper attire is as follows:

1. Athletic shoes that tie or have Velcro closures
2. An appropriate T-shirt that does not contradict the values of the school
 - a. Shirts must be at least 2 inches wide at the shoulders
 - b. No offensive message or symbols.
3. Athletic shorts
 - a. Cotton or nylon shorts
 - b. No khaki or jean shorts
4. Sweat Pants/ Sweat Shirts
 - a. Can be worn over physical education clothes (these articles of clothing are not the same clothes you wear to school that day).
 - b. Makeshift shorts are not acceptable
5. No jewelry of any kind may be worn. If body parts have been recently pierced requiring the earring to be in for a short period of time, the earring must be covered before the student comes to class.

Physical Education attire should be consistent with the school dress code. A conscious effort should be made to practice modesty and self-respect.

Physical Education Class Procedures

Students can earn ten points per day; the following categories are worth two points each:

1. Preparation
2. Participation
3. Cooperation
4. Rules and Safety Compliance
5. Effort

Locker rooms are provided for students to change clothes, use the restroom and store their belongings. Each student is encouraged to bring a combination lock to secure their belongings during the period. The lock must be removed by the end of the period. The locker room will be locked seven minutes after the period starts. The students have seven minutes to get changed into their physical education attire and enter the gym.

All students are expected to participate in every aspect of class. If a student has a medical excuse they will be excused from activities for the duration of the excuse. Written notes from home will be reviewed and monitored on an individual basis. Students who are under medical excuses can still participate in class if the excuse permits. For example, if the student has an upper body injury they can still participate in activities that involved lower body muscles. Students can fulfill their participation requirement in this manner.

PHYSICAL EDUCATION – MEDICAL EXCUSES

Only students presenting a doctor's excuse will be exempt from the physical activity in gym classes. Written assignments may take the place of physical activity. Doctor's excuses should be turned in to the Attendance Office and Phys. Ed. Teacher at the start of the day.

RECORDS POLICY

Confidentiality laws regarding student records are enforced to safeguard our students' rights. Please contact the Principal for further information regarding student records.

REPORT CARDS & PROGRESS REPORTS

Report cards are distributed at the end of each nine week grading period. Progress reports will be distributed at the midway point (4.5 weeks) of each grading period. Please contact the guidance office for a schedule of when report cards and progress reports will be issued.

SCHEDULING/DROPPING CLASSES

Information regarding specific courses is available in the Program of Studies booklet and in the Guidance Office. It is highly recommended that students and parents work with teachers and the Guidance Department when scheduling classes. Schedule changes are done during the first week of school after conferring with the Guidance Counselor. Withdrawals from classes cannot occur without Administrative approval. The Counselor/Administrators must endorse that dropping the class will help the educational welfare of the student. **After the FIRST TWO WEEKS of school**, students who drop a course will receive an "F" in the course regardless of the grade achieved up to that date.

SUMMER SCHOOL

Summer school arrangements can be made through the Guidance Office. Students failing two or more subjects should attend summer school. It is not academically feasible to double up on core classes. Class loads are limited and sequential knowledge requirements are important to progressing to the next school year.

CLEARANCE REQUIREMENT

There are three clearances that must be obtained prior to working in the Freedom Area School District. Certain volunteers are also required to get one or more of these types of clearances. The types and information on how to obtain them are found on the district website under the district forms section.

FUND-RAISING

All fund-raising must be approved by the Principal. Fund-raising is limited to organizations directly affiliated with the high school. Students are not permitted to solicit games of chance or sell items on school grounds for profit. Fund-raising that includes the sale of food items must occur outside of school hours and must be approved by the Foods Service Department Manager if sold on school property.

REQUIREMENTS FOR SPORTS PARTICIPATION

- Age – Not to turn 19 before July 1 of up-coming school year (JH-16)
- Semesters of participation – not to exceed 8
- Attendance – Absentees not to reach 20 days in a semester. After 20 absences in a semester, the student must attend for 60 days before being declared eligible.
- **Grades – Please see Freedom Area School District Eligibility Requirements**
- Must have permission slip signed by parent/guardian
- Must pass a physical examination and have school insurance.
- Other PIAA/WPIAL/MAC sanctions that apply must be adhered to.
- Amateur status
- The student has no disciplinary probation restrictions.
- Transferring student/athletes must be approved by the WPIAL.
- ***No student-athlete is permitted to participate in practice or a game unless he/she has been in school that day. Students must be in school by 11:00 a.m. with a valid tardy excuse approved by the Administration in order to be permitted to participate that day. No student-athlete will be permitted to leave school with a valid early dismissal note before 1:00 p.m. unless first approved by the Administration.

SOCIAL ACTIVITIES

School activities (dances, formals, banquets, athletic events, field trips, etc.) are scheduled throughout the school year. Student behavior at these events, regardless of location, is subject to disciplinary action in accordance with our code of conduct listed in this handbook. Participation in these events is a privilege, not a right and **can be taken** from a student for poor behavior and/or academic performance.

SPORTSMANSHIP

The Administration, faculty, coaches and athletes at FHS stress the following pledge as a positive Bulldog fan. Students should realize that sportsmanship violations will be carried over as school discipline infractions and will have accompanying consequences.

We enforce the fundamental principles of fair play.

We realize that “winning at any cost” is unacceptable.

We respect the opposing team, cheerleaders, fans and game officials.

We realize that name-calling, taunting, finger-pointing and any other form of verbal or physical confrontation have no place in our athletic arenas.

We realize that degrading or insulting cheers or signs are unacceptable.

We realize that we are to cheer for our team rather than against our opponent.

HAZING

Under no circumstances is hazing condoned at Freedom Area School District or in regards to any extra-curricular activity within the district. Hazing is identified as any behavior committed by a person towards any other person or group of people that causes physical, emotional, or mental harm for the affected individual(s). Reports of this abuse will be fully investigated and the proper disciplinary action will be taken.

Academic Eligibility Requirements

The Freedom Area School District requires that any student who participates in athletics, band, or any extra-curricular activity meet high academic standards in order to participate. Because of our belief that academics must come first for all students, we require stricter eligibility requirements than the P.I.A.A. mandates. Student grades will be pulled every Friday and will serve as each student's eligibility report for the upcoming week (Monday through Sunday). ***ANY STUDENT WHO IS FAILING TWO OR MORE CORE CONTENT CLASSES (ENGLISH, SOCIAL STUDIES, SCIENCE, MATH) OR FAILING THREE TOTAL CLASSES WILL BE INELIGIBLE FOR ALL ATHLETIC, BAND, AND EXTRA-CURRICULAR ACTIVITIES FOR 7 DAYS.*** While students are ineligible, they are NOT permitted to play/perform with their athletic team, band, or extra-curricular group **or attend any school field trips.** Students that are ineligible will be permitted to practice and we will continue to monitor their progress in hopes that they become eligible. Student eligibility for the first two weeks of every nine weeks will be based on the previous nine week's final grade rather than weekly grades. The same eligibility requirements will be required during report card checks as are required for students to be eligible at the start of every new week.

Important Note: Athletic, band, and/or extra-curricular eligibility for the first 15 days of every school year will be determined on a student's final nine weeks grades and the student's previous semester attendance. For instance, if a student fails two or more Core Content classes or three total classes for the 4th nine weeks that student will be ineligible for the first 15 days of the new school year. If a student falls under this category he/she is eligible to take summer school classes to pull their grades up before school begins and therefore gain eligibility. Please contact the guidance office for information regarding this option.

NCAA REGULATIONS

Student-athletes should check with the Guidance Counselor regarding the academic requirements for eligibility at the college level.

ATTENDANCE AND SCHOOL TARDY POLICIES

ABSENCES - All absences (excused and unexcused) will accumulate on a yearly basis.

Excused Absences

1. MUST SEND WRITTEN EXCUSE TO SCHOOL within 3 days of returning to school.
2. A maximum of **10** parent notes can be used to verify absence. **After 3 unexcused absences a warning letter will be sent home and Magistrate charges may be filed.**
3. All other absences must be verified with a doctor's excuse or will be counted as unexcused.
4. All doctor excuses must include doctor's name and phone number for verification.

Definition of an EXCUSED ABSENCE:

- a. Sickness/injury verified by a doctor's excuse or parent note.
- b. Serious illness or death in the immediate family
- c. Suspensions from school
- d. Medical, dental or legal appointments that cannot be made after school (Student must have official note from the doctor's office)
- e. Observance of religious holidays
- f. Hazardous weather conditions
- g. Definite emergency situations approved by the Administration
- h. School sponsored trips
- i. Vacation (Maximum 5 Days)
- j. Any other circumstances that have been previously approved by the Administration (college visit, vacation, etc.)
- k. Car failure may be used as a valid excuse only once and with verification from a parent or guardian.

Unexcused/Illegal Absences

1. Once a student accumulates **3** unexcused absences, a warning letter will be sent home to the parent/guardian of the student. (Next unexcused absence makes student eligible to be sent to magistrate for violation of compulsory school attendance laws)
2. Once a student accumulates **6** unexcused absences, a warning letter will be sent home via certified mail to parent/guardian and a Truancy Elimination Plan must be discussed and drafted between the designated school official, parent/guardian, and the student.
3. After the **10th** unexcused absence, a third notification letter will be sent to the parents via certified mail. An attendance meeting will be held between the Tip coordinators, school and family and the school will make a referral to the Truancy Intervention Program. If student and parent/guardian fail to attend Truancy Intervention Program (T.I.P.), Freedom Area School District will file charges with Freedom Magistrate for violation of compulsory school attendance. It is the student and parent/guardian's responsibility to bring appropriate paperwork to the Attendance Office to prove attendance at Truancy Intervention Program.
4. Once a student accumulates **more than 10** unexcused absences, Freedom Area School District will file charges with Freedom Magistrate (compulsory school attendance).
5. Students will receive zero credit for all work on unexcused/illegal absences.

Definition of an UNEXCUSED/ILLEGAL ABSENCE:

- a. Skip days are not approved by the school (this act of truancy will result in ISS to be served by all parties involved in the skip day).
- b. Seen on or near school property and does not report to school
- c. Missing the bus, over sleeping, car failure Trips not approved in advance
- d. Working during the school day, helping at home (non-emergency), babysitting
- e. Hunting, fishing, shopping, eating breakfast, birthdays, etc. or any other reason that doesn't fall under State Regulations as an excused absence.

Disciplinary Procedure for Unexcused Absences – When the parent is not aware of the student's absence on any particular day, the student will serve ISS/OSS for skipping school that day. On the FIRST day of unexcused/illegal absence, the parent will be sent a disciplinary referral indicating ISS/OSS depending on the student's prior record and magistrate charges will be filed. Each additional unexcused/illegal absence will lead to additional disciplinary action(s). **The school will not accept parental notes for unexcused/illegal absence.**

Freedom Area High School CTC Attendance Policy

All CTC students are required by the district to maintain an 85% attendance requirement to continue to participate in their respective program. Once the student falls under that 85% attendance rate, a parent conference will be scheduled to determine future eligibility at CTC.

TARDIES TO SCHOOL - All tardies will accumulate on a quarterly basis.

Excused Tardies

1. MUST SEND WRITTEN EXCUSE TO SCHOOL within 3 days of returning to school.
2. A maximum of 5 parent notes can be used to verify tardies.
3. All other tardies must be verified with a medical excuse or will be counted as unexcused.
4. All doctor's excuses must include doctor's name and phone number for verification.
5. The same guidelines set by the State in regards to attendance will be followed to determine excused and unexcused tardies.

Unexcused Tardies - Disciplinary Procedure. Excessive tardies can impact eligibility.

1. Only unexcused tardies accumulate for disciplinary reasons
2. Students cannot make up work in any classes that were missed during unexcused tardies. Students will receive zero credit in those classes. To avoid this, students who are tardy must have their valid excuse available when they arrive at school.
3. **5 School tardies** = a warning letter sent home
4. **10 School tardies** = a warning letter sent home, and One-Hour Detention.
If driver – loss of driving privileges length of time to be determined by administration, and Magistrate charges will be filed.
5. **15 School tardies** = Saturday Detention and Magistrate charges will be filed.
6. The following reasons are considered to be unexcused tardies:
 - a. Sleeping in, alarm did not go off, no one got me up.
 - b. Missed the bus, missed ride
 - c. Any other excuse not covered under the State exemption clause for mandatory attendance.

NOTE: Students must be in school at least half the day to be permitted to participate in extracurricular activities that day after school. Valid tardy notes and early dismissal notes are mandatory in these cases. Extenuating circumstances will be reviewed by administration.

EARLY DISMISSALS

Students wanting to be excused early from school must bring in a note from their parent/guardian explaining the **valid** reason for the dismissal. The note must be specific and the reason must be covered under the acceptable excuses outlined in the attendance policy. The student will not be permitted to leave until the parent calls to confirm the validity of the note. The parent/guardian must include a phone number on the note for the school to confirm in case the parent forgets to call the school. Students who attempt to use a forged early dismissal will be disciplined accordingly.

NOTE: **Students must SIGN OUT with the attendance office before leaving.** No student is permitted to leave school without permission from the nurse and attendance office or administration. *Students leaving the building without signing out will be considered to be 'cutting class' and will face school consequences including assignment to Saturday Detention.*

Excused Early Dismissal

1. MUST TURN IN WRITTEN NOTE TO ATTENDANCE OFFICE before school and receive an EARLY DISMISSAL PERMIT. Note must contain Student Name, Time of Early Dismissal, Reason for Early Dismissal including Doctor/Dentist name & phone number if applicable, Phone Number of Parent/Guardian, Parent/Guardian Signature.
2. A maximum of 5 parent notes can be used to excuse students for an early dismissal.
3. All other early dismissals must be verified with a doctor excuse or will be counted as unexcused. Student will receive a zero for any work missed due to an unexcused early dismissal.
4. All doctor's excuses must include doctor's name and phone number for verification.
5. The same guidelines set by the State in regards to attendance will be followed to determine excused and unexcused early dismissals.

Unexcused Early Dismissal - Disciplinary Procedure

These situations will warrant disciplinary action associated with leaving the building without permission. Students cannot make up work in any classes that were missed during unexcused early dismissals. Students will receive zero credit in those classes. To avoid this, students requiring an early dismissal must turn in their valid note to the attendance office when they arrive at school.

NOTE: Students must be in school at least half the day to be permitted to participate in extracurricular activities that day after school. Valid tardy notes and early dismissal notes are mandatory in these cases. Extenuating circumstances will be reviewed by administration.

AUTOMATED MESSAGING SYSTEM

An automated messaging system will telephone the students who have been recorded as either tardy, absent or having an early dismissal to notify parents. If the student has a valid reason listed previously, then it will be considered if the parent note or doctor's excuse is received within three days and the student has not exceeded their given number of excuses.

NOTE: If the parent was not aware of the child's absence, the disciplinary action will be assigned immediately for truancy.

NOTE TO PARENTS: So that we can continue to work together to provide a sound education for your children, please follow these guidelines when writing absence/tardy/excuses for your child. Include full name, dates of absences/tardies and reason for the absence/tardy. When writing the reason, please be as specific as possible. For example "John was absent/tardy because he wasn't feeling well" would be better written as "John was absent/tardy because he had an upset stomach this morning." If the note is too vague, the excuse will be considered invalid and the student cannot make up work missed and may have further disciplinary action taken. Your cooperation will be greatly appreciated and extremely helpful when determining whether the absence/tardy is excused or unexcused according to State guidelines.

NOTE: The student must be in school for over half a day to get credit for a full day attendance.

Beaver County Truancy Intervention Protocol

Purpose

Services are designed to reduce the number of truancy referrals to the district magistrate and lower absenteeism for youth 6-17 in Beaver County.

Scope

Beaver County youth ages 6-17 who are identified by the school districts as habitually truant.

Policy

Beaver County Truancy Intervention Program (BCTIP) will accept truancy referrals on children 12-17 years of age. There should be an understanding among school district personnel that the initial responsibility to address truancy rests on them. Every effort should be made to keep youth in school and reduce referrals to the Truancy Intervention Program. The Juvenile Act of Pennsylvania states that children of this age range, who fail to comply with the compulsory attendance provisions and are habitually truant, may be referred to BCCYS, subject to the procedures set below.

Vocabulary

Truancy

-Unexcused absences of three or more days, or six tardies

Habitual Truancy

-Six or more unexcused absences or twelve tardies

Excused Absence

-Any absence that the school district considered legal.

*Note -Parents may excuse 10 absences by written notification.

Unlawful/Illegal

-Any absence not excused is unlawful/illegal. This applies to any student who is under 17 and falls under compulsory attendance laws. **Therefore a complaint can be filed with the Magistrate.**

Legal excuse

-Any student that is not in school because of mental, physical or other urgent reasons as determined by the school district.

Unexcused absence

-Absence of student for any reason other than those outlined by school district. This includes students in Kindergarten or 17 or over and not covered in compulsory attendance laws. **Unexcused absences are not grounds for complaint.**

Tardy

-Arriving to school or assigned class after designated starting time

Procedure

Truancy preventive services for children 12-17:

- The school district will designate school contact for the Truancy Intervention Program
- School staff will identify habitually truant youth and will provide intervention
- After the 3rd unexcused absence parents will be notified via letter.
- After the 6th unexcused absence, school will send second notification letter to parents. An attendance meeting will be held between the Tip coordinators, school and family and the school will make a referral to the Truancy Intervention Program.
- After the 10th unexcused absence, a third notification letter will be sent to the parents and the school may file charges with the district magistrate without further notice.
- Coordinator will conduct assessment of the family and make supportive service referrals as are necessary, recommendation may make for Truancy Education Class

Truancy preventive services for children 6-11

- After the 3rd unexcused absence parents will be notified via letter
- After the 6th unexcused absence, school will send second notification letter to parents via certified mail. Also a school attendance improvement conference will be scheduled with an RSVP required from parents.
- Refer family to Family Group Decision Making, complete TEP
- At the 10 unexcused absence the school will may make a referral to BCCYS

Truancy court process:

- TIP coordinator, school staff, will attend all truancy hearings
- In lieu of a fine the magistrate may order the parent and child to participate in the Truancy Intervention Program
- Once this occurs youth/parent will attend educational class facilitated by coordinator
- Continued truancy after the fact would result in fines or community service for the student
- Coordinators will follow up with the family and school district as needed to ensure improved attendance
- After this time, if the student is still truant MDJ would order student to Truancy Abatement Program at JSD

Pennsylvania Truancy Laws

What is the definition of truancy in Pennsylvania?

The simple answer is that truancy is the failure to attend school. However, from a statutory point of view, the answer is more involved. The Public School Code does not have a specific definition for the word “truancy”. As will be seen, a child becomes “truant” upon attaining a specific number of unexcused absences. **To provide more guidance, the Beaver County Protocol Committee created the Beaver County Truancy Protocol, which defines a range of unexcused absences, namely three to ten, and alleviates the ambiguities of the PA Truancy Law.** Under provisions of the Code, specifically 24P.S. §13-1327, every child of compulsory school age (from when a child’s parents elect to enroll the child in school, which shall be no later than age 8, until age 17) is required to attend a day school unless the child satisfies one of the exceptions set forth in §13-1330. Each school board is charged with setting policies governing pupil absences and excuses which shall be considered lawful. §13-1329.

Each school principal is required to report to the superintendent any child who has been absent three (3) days “during the term of compulsory attendance, without lawful excuse.”§13-1332. A strict reading of the Code would suggest that a child is “truant” if he or she has three (3) unexcused absences during the entire time the child is subject to compulsory attendance.

In Pennsylvania the legal actions that are permitted or which are required for violation of the provisions regarding compulsory school attendance vary according to the circumstances. The school district may file a summary citation with the local Magisterial District Judge against the parent/guardian or child or, in the alternative, refer the matter to the local Children & Youth Services agency for services or the filing of a dependency proceeding.

Before the school district may file a summary citation with the local Magisterial District Judge the school must give the offending person three (3) days written notice that the provision regarding compulsory school attendance has been violated. Thereafter during the child’s term of compulsory attendance, if there is another unexcused absence the school may proceed without further notice.¹ 24 P.S. 13-1333(a)(1). After the filing of the complaint a **hearing** is scheduled at which **both the parent/guardian and child** are required to **attend**. Section 13-1333(a)(2).

If the parent/guardian is found guilty the Magisterial District Judge has a variety of options to consider:

- a. Impose a fine not to exceed \$300.00 payable to the benefit of the school district together with court costs (Sec. 13-1333(a)(1));
- b. Attend a parenting program (Sec. 13-1333(a)(1));²
- c. Order the parent/guardian to perform community service in the school district for a period not to exceed six (6) months (Sec. 13-1333(a)(4));
- d. Suspend the sentence in whole or in part provided that the child is no longer **habitually truant**³ from school without justification (Sec. 13-1333(a)(3)).

If the parent/guardian satisfies the Magisterial District Judge that he/she took every reasonable step to insure attendance of the child at school a not guilty verdict shall be entered. Sec. 13-1333(a)(2).

If a not guilty verdict is entered for this reason and the **child is 13 years old or older** and has failed to comply with compulsory attendance **or** has been habitually truant without justification a summary citation may be filed against that child. Sec. 13 1333(b)(1). Upon conviction of that child the Magisterial District

Judge again has a variety of options to consider including:

- a. Impose a fine not to exceed \$300.00 payable to the benefit of the school district (Sec. 13-1333(b)(1));
- b. Assign the child to an adjudication alternative program pursuant to 42 Pa.C.S.A. s1520 ⁴ (Sec. 13-1333(b)(1));
- c. Suspend the sentence in whole or in part provided that the child is not longer habitually truant from school without justification (Sec. 13-1333(b)(3)).
- d. Notify the Pennsylvania Department of Transportation of the conviction (Sec. 13-1333(c)).⁵

Should a **child age 13 years or older** fail to comply with option (a) or (b), above, the Magisterial District Judge **may allege** the child to be a dependent child under provisions of the Juvenile Act. Sec. 13-1333(b)(2). However, failure of the child to pay the fine shall not be considered a delinquent act under the Juvenile Act. Sec. 13-1333(b)(2).⁶

² If the parent defaults in paying the fine or in completing the parenting program he/she **shall** be sentenced to the county jail for a period not exceeding five (5) days. Sec. 13-1333(a)(1).

³ The term "habitually truant" under Sec. 13-1333 means absence for more than three (3) school days or their equivalent following the first notice of truancy given under Sec. 13-1354. A person may be habitually truant after such notice. Sec. 13-1333(b)(5).

CODE OF CONDUCT

PURPOSE OF THE DISCIPLINARY CODE

Our code addresses the district's goal of providing a safe and secure learning environment for students and encourages, supports and maintains an educational environment conducive to learning. Everyone involved in the educational setting at Freedom High School has the right to expect a safe, orderly and pleasant environment.

The guidelines set forth in the following code are intended to protect the rights of all students and staff. Regulatory guidelines and policies have been set to insure that all offenders will be treated fairly and reasonably when actions or speech become disruptive to the educational process in the building. The code of conduct provides guidance in the process of producing a safe environment and encouraging responsible behavior with mutual respect and cooperation among all within the Freedom/Conway/New Sewickley community. Mutual respect, responsibility and self-discipline are the common threads of success that will be emphasized throughout our school and community. It is our desire that each student has the opportunity to expand his/her knowledge, enrich his/her life experience, exercise his/her own self-control and take responsibility for his/her own actions. We will work together to learn, to grow, and to enjoy our high school days and prepare for the future as independent, responsible adults.

What follows is a section of Pennsylvania school code that establishes the foundation for codes of conduct throughout the state. In practice it provides direction for developing and maintaining guidelines for individual behavior.

IN LOCO PARENTIS

Section 1317 of the Pennsylvania school code states: "Every teacher in the public school shall have the right to exercise the same authority as to conduct and behavior over the students attending his/her school, during the time they are in attendance, including the time required in going to and from their homes, as the parents, guardians or persons in parental relation to such pupils may exercise over them."

PROGRESSIVE DISCIPLINARY ACTION PLAN

Teaching responsibility and self-discipline has become a growing challenge for our schools today. We believe that students become more responsible decision-makers when they are held accountable for their decisions. As educators we realize that these traits are not learned overnight. Some learn quickly, and others take a little longer to learn how to think before they act. For this reason we follow a progressive disciplinary system that gradually incorporates disciplinary steps as the student grows (i.e. hour detentions, two hour detentions, Saturday Detentions, ISS, SAP referrals, parent conferences, etc.). In addition to this progressive system are disciplinary actions that are more severe, such as suspensions, hearings, expulsions, etc. These are in place for infractions that call for stronger actions, all of which are described in this handbook. The following action plan is in place for minor disruptions occurring at the high school and is handled in a manner that preserves a quality educational environment.

ADMINISTRATION, FACULTY & STAFF RESPONSIBILITIES

1. To provide a safe, secure learning environment for all students.
2. To treat all students fairly and with respect.
3. To provide guidance and support for students in their pursuit of academic excellence.

STUDENT RESPONSIBILITIES

1. Students should attend school regularly.
2. Students should give a conscientious effort in classroom work.
3. Students should adhere to all school rules and regulations.
4. Students should share in responsibility to develop a school climate that is conducive to learning.
5. Students should respect the rights of all others involved in the educational process.
6. Students should express their ideas and opinions in a respectful manner.
7. Students should cooperate in the investigation of any matter relating to the health, safety and welfare of the school community.
8. Students should comply with commonwealth and local laws.
9. Students should exercise care when using school facilities and/or equipment.
10. Students should be on time for school and school activities.
11. Students should make up work when absent from school.
12. **In summary: Be prompt, prepared, polite, and positive.**

ASSEMBLY BEHAVIOR

Students are expected to act in a respectful and cooperative manner during school assemblies or pep rallies. Whistling, booing, foot-stomping and yelling are not acceptable behaviors. Our behavior must be such that any guests would be proud to have witnessed. Students should sit in designated areas when attending assemblies in the auditorium. Teachers will take roll.

BUS BEHAVIOR

The code of conduct is in effect from the time a student leaves home in the morning until the time the student returns home in the afternoon. This includes bus stops. Under no circumstances will misbehavior on the school busses be tolerated. The safety of all the students on the bus is affected by distractions towards the bus driver. Students are to stay in their seats and follow the rules set up by each driver. Loud and rowdy behavior will result in disciplinary action that may include suspension from the bus. **IMPORTANT NOTE:** Audio and visual recording is used on all busses.

PARENT NOTIFICATION REGARDING STUDENT BUS BEHAVIOR

The Freedom Area School Board has authorized the use of video/audio recording on school busses. These cameras can record both what is said and done on the school bus. The video/audio cameras will be used to monitor student behavior to maintain order on the school busses to promote and maintain a safe environment. **Students and parents are hereby notified that the content of the tapes may be used in a student disciplinary proceeding. The content of the recordings are confidential student records and will be safeguarded.** Recordings will be retained, only if necessary, for use in a student disciplinary proceeding or other matters as determined necessary by the administration.

CHEATING/PLAGIARISM

Any student who is discovered to have cheated, plagiarized, including aiding another student to knowingly cheat, plagiarize, or similar will receive a zero for that assignment, project, test, mid-term, final, etc. and will not be able to make up the missing point total for that assignment. This also includes cheating and plagiarism on Cyber course work. Students who violate this rule will also receive a two hour after school detention. Further administrative discipline may be taken depending on the circumstances of the violation.

DISPLAYS OF AFFECTION

Inappropriate displays of affection (**CUDDLING, INAPPROPRIATE TOUCHING, EXCESSIVE HUGGING, KISSING IN THE HALLWAY**) are not permitted in the school setting. Students will be disciplined and parents contacted if necessary.

Note: Each behavior infraction carries with it a disciplinary action. Our philosophy in matters of discipline is that the student is ultimately responsible for his/her behavior; therefore, with a good balance of consequences and counseling, the student will be expected to improve his/her decision-making process that may have led to trouble in the past. Over a reasonable period of time, behavior problems and poor decision-making by the student should improve significantly. With parent involvement throughout this process, we hope to support and encourage the student, as well as provide consequences when necessary. It should be noted that an uncooperative attitude by the student could lead to expulsion.

CLASS CUTS

The following disciplinary action will be carried out for students cutting classes. Students who are out of class without permission are also considered to be cutting class.

1 Class First Offense	= 1 Saturday Detention from 8am – 11am.
1 Class Second Offense	= 2 Saturday Detentions from 8am – 11am each.
2 or More - First Offense	= 2 Saturday Detentions from 8am – 11am each.
2 or More - Second Offense	= 3 Saturday Detentions from 8am – 11am each.
3 rd offense	= In-School Suspension and Parent Conference.
4 th offense	= Out of School Suspension, Formal/Expulsion Hearing

Students will receive zero credit for work missed in classes when they leave without permission. Failure to serve an assigned detention will automatically result in the next level of consequence.

DETENTION

Detention will be held on Thursdays for one or two hours. Students and parents are responsible for providing their own transportation at the end of the session. Since this is a study session, students are required to report with books and other study materials. **No cards, games, electronic devices, cell phones, or food/drink are permitted.** Failure to report to a one hour detention will result in a two hour detention. Students who fail to report to automatically scheduled two hour detention will be automatically assigned to **SATURDAY DETENTION (3 HOURS)**.

Request for changes in dates for assigned detentions can only be made by parents and must be of a serious nature. No requests will be honored after the scheduled date. If a student is absent on the day of his/her detention or Extended Day, he/she will automatically be scheduled for the next detention, extended day or In-School Suspension.

EXCESSIVE TARDY TO CLASS

Students who are late to class will be counted as tardy to class and the following disciplinary action will be carried out:

- 1st offense = Student will receive a formal warning and warning letter.
- 2nd offense = Student will receive a one hour detention.
- 3rd offense = Student will receive a two hour detention.
- 4th offense = Student will receive a Saturday detention.
- 5th offense = Student and parent will be required to have formal meeting with High School Principal and Assistant Principal.

*Please note: Students that are not in their classroom at the starting time for each class are considered tardy. Any student that is more than ten minutes tardy to class will be counted as cutting that class for the day.

Notes:

- * Teachers and Administration have the right to schedule academic detentions at their discretion.
- * Ejection from an extra-curricular activity may also result in suspension from that activity from Principal and/or Assistant Principal.
- * Student conduct at any off campus school related activity will result in severe disciplinary action.
- * Consequences may be doubled if student fails to serve them.

Note: Each behavior infraction carries with it a disciplinary consequence. Our philosophy in matters of discipline is that the student is ultimately responsible for his/her behavior; therefore, with a good balance of consequences and counseling, the student will be expected to improve his/her decision-making process that may have led to trouble in the past. Over a reasonable period of time, behavior problems and poor decision-making by the student should lessen significantly. With parent involvement throughout this process, we hope to support and encourage the student, as well as punish when necessary. It should be noted that an uncooperative attitude by the student will lead to expulsion.

DISCIPLINARY CONSEQUENCE DEFINITIONS

ACADEMIC REFERRAL – Individual teachers assign academic referrals for infractions involving students needing tutoring, remediation or to make up tests, homework, etc. The 30 minutes will be scheduled at a time convenient for both teacher and student with parent notification. Failure to serve academic referrals could result in further disciplinary actions.

HALL PASS RESTRICTION – Students on hall pass restriction will not be permitted to use the hall pass freely. Once in the morning and once in the afternoon will be arranged with specific teachers to monitor the student's use of the pass and to allow for rest room time. Abuse of this restricted time will result in detentions, extended day, in-school suspension, or out-of-school suspension. Student is not permitted out of his/her current class assignment during AAP. Teachers can restrict students from using the hall pass in their class at any time they feel the student has abused the privilege. The length of the restriction will be determined by administration.

ONE HOUR DETENTION – The administration assigns hour detention for infractions. Hour detention is held after school from 2:35-3:35 on Thursdays. Due to the school calendar or other circumstances the day could change to Tuesday upon parent/student notification. Failure to serve the detention will result in a two hour detention and ultimately serving time in in-school suspension, out-of-school suspension or expulsion.

NOTE: If the student is absent from school on the day of the scheduled detention, he/she must serve it on the next scheduled day he/she returns to school. Also, **parents are responsible for transportation.**

EXTENDED DAY DETENTION – The administration assigns two hour detention for infractions. Two hour detention is held after school from 2:35-4:35 on Thursdays. Due to the school calendar or other circumstances the day could change to Tuesday upon parent/student notification. Failure to serve the detention for infractions will result in a day of in-school suspension, possible out-of-school or expulsion.

NOTE: If the student is absent from school on the day of the scheduled detention, he/she must serve it on the next scheduled day he/she returns to school. Also, **parents are responsible for transportation.**

SATURDAY DETENTION – The administration assigns a Saturday detention for class cuts or other disciplinary infractions. Saturday detention is held on Saturdays from 8:00 – 11:00 AM. Failure to serve a Saturday detention will result in two Saturday detentions. **NOTE:** If a student is unable to attend an assigned Saturday detention, the parent/guardian must notify the administration with a valid excuse no later than 12:00 on Friday before detention. Also, **parents are responsible for transportation. Reasonable notice will be provided so students can arrange for transportation and/or adjust work schedule.**

IN-SCHOOL SUSPENSION – ISS is held in the Attendance Office. All core subject teachers will send class work to the ISS room during the day. Students are expected to work quietly and cooperate in all matters while in ISS. Breaks are worked into the schedule and the students eat lunch together. Misbehavior in ISS will result in out-of-school suspension.

SUSPENSION (1-3 DAYS) - Out of school suspensions are assigned for applicable infractions. Parents must be notified before a student can be suspended from school. In addition, the parents will be notified by mail about the reasons for the suspension. A suspended student is not permitted on school property and cannot participate in or attend any extra-curricular activities during the suspension. If a snow day falls during a student suspension, the suspension return date is delayed by the number of snow days incurred. A parent conference may be scheduled before the student can return to school. Parents may request an informal hearing upon receipt of the notice of suspension.

SUSPENSIONS (4-10 DAYS) – Suspensions of four or more days are used for more serious offenses. The same restrictions as listed for 1-3 day suspensions are in effect. In addition, the parents will be notified by mail about the reasons for the suspension. Included in the letter will be the scheduled time, place, and location for an informal hearing with the administration, which is mandatory before the student can return to school.

EXPULSION – The most severe disciplinary consequence is an expulsion. Expulsion requires a formal hearing in front of a committee of the school board. Parents will be notified of all procedures and their due process rights before the hearing.

OTHER ALTERNATIVES – A student can be referred to the school psychologist or an outside agency for counseling. The student will have to comply with the recommendations of these professionals. Expulsion from school is the last resort.

PROBATION – Probation will last for one semester. The student will be on hall pass restriction. The student will not be able to participate in or attend any extra-curricular activities (This is subject for review upon completing any counseling services during the probationary period). The student must meet daily with an assigned faculty/staff member. The student must adhere to all school rules and policies. Any school tardies or absences must be confirmed by telephone before 8:00 a.m. by a parent. Students may be required to avoid, whenever possible, certain areas and/or peers that have contributed to his/her making poor decisions that ended in trouble. Also, the student may not be permitted to attend field trips. Continued disciplinary actions during the period of probation may lead to long term suspension or expulsion.

DRESS CODE

Since we consider the school day to be a formal occasion, Freedom students are expected to present a neat, clean and well-groomed appearance. Preparing students for real-life occurrences in the employment world forces us to adhere to dress codes that are reasonable and that are also a step up from social/leisure wear; **therefore, any attire causing a disruption to the education process, annoyance to others, or poses a health/safety issue will not be permitted. Students will not be permitted to carry any medication during school hours except approved emergency medical equipment which are registered in the nurse's office. The school nurse has information regarding the use of inhalers during the school day. Students who miss class or arrive late to class from the nurse's office without first seeing their classroom teacher will be considered unexcused cut/tardy. No student can be excused early from school until the nurse can confirm the illness; otherwise, it is an illegal early dismissal.

Note: Under no circumstances are students permitted to stay in the restrooms when they are sick. This will be considered a class cut.

SCHOOL SAFETY PLAN

The Administration is committed to providing an atmosphere that is perceived as safe and secure by our student body and faculty. To ensure this, we have hall monitors that are trained to reduce potential problems by keeping the hallways clear and seeing that students get to classes on time to learn. We have secured the building exits/entrances with locks once the student body is in first period. Additional building measures include a surveillance camera system. Only the front door is open for latecomers or visitors to enter. We have limited the frequent arrival of visitors to our school, especially those who are not here for school business. We have each faculty member write a plan of action to follow in cases of emergency in their classrooms. Evacuation and non-evacuation drills are included in the handbook. Harassment and intimidation and fighting policies are enforced strongly by the Administration so that each and every student feels comfortable throughout our high school building. Any concerns of personal safety should be directed to the Administration immediately.

EVACUATION DRILLS (FIRE, BOMB, ETC.)

Upon hearing the alarm, students should quietly and quickly exit the classroom and building through the appropriate avenues. Exiting in single file allows for more students to move quickly through the corridors during the evacuation. Each room should have the map for evacuation for each area of the building. All windows and doors should be closed upon leaving each room. Please turn out the lights also. Students are not to panic but remain orderly as they exit the building. Teachers should take roll once the students get to the evacuation areas.

Note: Entrances to the building must be clear so that emergency vehicles or personnel can enter freely. Students must gather in a safe area away from those working on the emergency.

Evacuation Areas:

From Cafeteria – to left-center field of baseball field

From Gymnasium – to bank of soccer field across roadway

From Industrial Arts – to open field (50 yards away) or to the rear of cafeteria parking area

From Front of Building - Lower exits – extreme end of roadway
Office exits – near flag pole

NOTE: Students are not to stop by their lockers on the way out unless told to do so because of cold weather. The administration may make an announcement to alter these procedures depending on the type of emergency that may be occurring.

NON-EVACUATION DRILLS

- A. Severe weather – Students are to exit their classrooms and line up against the wall of the middle corridors of the first and second floors. Students are to sit on the floor against the walls with head down and arms wrapped around their knees. All doors and windows should be closed (except in case of tornados) and the lights should be turned off.
- B. Dangerous intruder/other emergency – Students are to remain in their classrooms while each teacher locks the door. Students are to remain quiet until further instructions are received from the Administration. Under no circumstances are students permitted to leave a classroom during this emergency.

CRISIS PREVENTION – PLAN OF ACTION

(Sickness, seizure, fighting, weapon, insubordination, etc)

Each teacher must designate a student who can get to the Nurse's office or Administrative office in case of extreme emergency. The student should be someone reliable who can move quickly and communicate effectively when carrying a message.

Each teacher will be required to write the name of the team teacher that is near enough to help in a crisis situation. This teacher should be the first responder in an emergency. This should be organized for each period of the school day.

NOTE: Teachers should refer to the Emergency Procedure flip chart as well as the published District Wide Emergency Operations Plan.

Guidelines for Crisis Prevention:

- A. Remain calm – do not panic
- B. Those not directly involved should go about their business as usual. Avoid crowds and unwanted excitement. Separate the individual from the group if possible.
- C. Evaluate the situation:
 - What is the immediate risk?
 - Who needs to be summoned? Administration? Nurse?
 - What is the most appropriate immediate action to take?
 - Comfort? First aid? Reassurance?
 - Attempt to reason with the person? Do not threaten or blame.
- D. Send for help immediately. (Team Teacher, Nurse, Administrator) Do not leave the area. Wait for help to come.
- E. Keep an accurate written record of all pertinent facts and actions. List date, time, and location. Give names of people involved in the emergency and any witnesses. Describe the emergency situation, condition or the persons in the emergency and/or the physical location. Include relevant comments whenever possible.

FREEDOM AREA SCHOOL DISTRICT
Bullying Policy

The Board strives to provide a safe, positive learning climate for students in the schools. The Freedom Area School District recognizes that bullying of students has a negative effect on the educational environment of its schools. Students who are bullied, intimidated or fearful of other students may not be able to take full advantage of the educational opportunities offered by the school district. Bullying can also escalate into more serious violence. Therefore, the school district strives to offer all students an educational environment free from bullying.

Bullying shall mean unwelcome verbal, written or physical conduct directed at a student by another student that has the intent and effect of, but is not limited to:

1. Bullying is characterized when a student is exposed, repeatedly and over time, to negative actions on the part of one or more students. Bullying implies an imbalance in power or strength. The student who is bullied has difficulty defending himself/herself.
2. Bullying behaviors (direct or indirect) include three (3) forms: physical, verbal/written, and emotional. Some examples of bullying are as follows, but are not limited to:
 - A. Physical – hitting, kicking, spitting, pushing, stealing and/or damaging personal belongings, sexual acts, and invasion of one’s personal space in an aggressive manner.
 - B. Verbal/Written – taunting, malicious teasing, name-calling, making threats, phone and Internet, and sexual remarks.
 - C. Emotional – spreading rumors, manipulating social relationships or environment, engaging in social exclusion, extortion, ridiculing, and intimidating.
 - D. Cyber – Taunting, manipulating, spreading rumors, ridiculing, and intimidating through use of electrical device (Cyber Bullying found to occur on school issued technology during the school day or outside of school will result in disciplinary action).
3. The term bullying shall not be interpreted to infringe upon a student’s right to engage in legally protected speech or conduct.

The school district will not tolerate any acts of bullying occurring on school district property, at school-sponsored activities scheduled on or off school grounds, or during the time students necessarily spend traveling to and from school or school-sponsored activities.

The Superintendent or designee shall develop administrative procedures to increase the awareness of the problems of bullying, and train teachers to effectively intervene if bullying is witnessed in their presence or brought to their attention.

Intervention

Teachers and other staff (including, but not limited to, secretaries, custodians, bus drivers, hall monitors, etc.) who observe acts of bullying shall take reasonable steps to intervene to stop such conduct, unless intervention would threaten a teacher's personal safety. The nature of the intervention will vary depending upon the age of the student (both the victim and aggressor), the severity of the bullying and the student's involvement in prior acts of bullying. The purpose of the intervention is to take prompt remedial steps to ensure observed acts of bullying cease and to teach students that bullying is not acceptable behavior.

Student, Parent and Employee Reporting

The school district encourages all students and parents who become aware of any act of bullying to immediately report that conduct. Students may report acts of bullying to their teachers, building principal or other school employees supervising school-sponsored activities. Parents may contact the building principal to report acts of bullying.

If teachers and/or other staff cannot reasonably remediate acts of bullying through their own intervention, they should report the bullying to the building principal. Other school employees who observe acts of bullying shall report that conduct to the building principal.

Investigation Procedures

Each building principal or designee is authorized to complete an impartial, thorough and confidential investigation of the bullying brought to their attention by students, parents or school employees. Any investigation of a report may include meetings with students, parents or employees; a review of student records and other reasonable efforts to better understand the facts surrounding a reported incident.

Consequences/Discipline

Consequences for students who are found to have bullied others may include counseling, a parent conference, detention, suspension, expulsion, a loss of school privileges and/or exclusion from school-sponsored activities. All incidents of bullying will be documented.

Depending upon the severity of a particular situation, the building principal may also take appropriate steps to ensure student safety. Such steps may include the implementation of a safety plan; separating and supervising the students involved; providing employee support for students as needed; reporting incidents to law enforcement, if appropriate; and developing a supervision plan with parents.

Interplay With Other School District Policies

Nothing in this policy shall prevent school employees from enforcing or imposing discipline, or fulfilling their professional responsibilities under other school district policies or student disciplinary rules.

FREEDOM AREA SCHOOL DISTRICT
Depression/Suicide – Responding To Students-At-Risk

PURPOSE

Adhering to District procedures in a crisis situation expedites the critical decision making process, thus providing timely intervention to our students. In addition, our procedures support and protect staff by providing for shared responsibility. Effective and efficient management of suicidal ideation behavior in a system as large as Freedom is contingent on staff awareness of role responsibilities.

The Freedom Area School District recognizes the need for a program that intervenes on behalf of students at risk. The purpose of the program is to coordinate efforts of staff members, family and community services in a response to a crisis situation. Services will be provided in an attempt to prevent harm to the student at risk and to develop within the student a feeling of self-worth.

AUTHORITY

Every Freedom School District employee, certified and non-certified, must report any evidence of a student's being at risk for suicide to the counseling staff. If counseling staff are unavailable, the building administrator must be contacted. If evidence of physical injury or need for medical attention exists, the school nurse should be the initial contact. Evidence of at-risk behavior may be manifested in the following ways:

1. Student classroom writings, i.e. notes, assignments
2. Direct expression of suicidal ideation
3. Indirect fatalistic expressions by student
4. Self-abusive or self-mutilating behaviors

Student Assistance Program (SAP) Team – is a multi-disciplinary team composed of teachers, administrators, nurses, counselors and a prevention/intervention specialist. This team has been trained to understand and work out issues of adolescent chemical use, abuse and dependency and will play a primary role in the identification and referral process of students coming to their attention through the procedures outlined in this policy.

Post-intervention Procedures

Despite the best prevention and early identification methods utilized by district staff, a student may attempt to take his/her life. If a suicide/death does occur, it is the intent of the Freedom Area School District to provide support for students, parents and members of the school staff. We have, therefore, established procedures to help all affected individuals react in a positive fashion and serve as a deterrent to future suicides.

If a youth suicide does occur, the community needs to deal with the problem of extreme grief and the fact that one suicide can lead to another. How a school district handles the aftermath, or post-intervention, of a youth suicide can prevent the cluster phenomenon and help the community deal with grief.

2. Public Law 91-513 Comprehensive Drug Abuse Prevention and Control Act of 1979 (Federal Law) as amended.

3. The Controlled Substance Drug, Device and Cosmetic Act of April 1972 (P.L. 233, No. 64) as amended.

Drug Paraphernalia – includes any utensil or item, which can be associated with the use of drugs, alcohol or mood altering substances. Examples include, but are not limited to, roach clips, pipes and bowls.

Look-A-Like Drugs – are any substances manufactured or designed to resemble drugs, narcotics or other health endangering compounds included above in the definition of drug.

Possession – possesses or holds, without any attempt to distribute, any alcohol, drug or mood-altering substance determined to be illegal or as defined by this policy.

Prevention/Intervention Specialist – is a program specialist with expertise in the area of chemical dependency and other student high-risk behaviors.

Student Assistance Program (SAP) – is a multi-disciplinary team composed of teachers, administrators, nurses, counselors and a prevention/intervention specialist. This team has been trained to understand and work on issues of adolescent chemical use, abuse and dependency and will play a primary role in the identification and referral process of students coming to their attention through the procedures outlined on this policy.

A Student Assistance Program is a way to identify students who are having problems in school because of drug or alcohol use (or other high-risk behaviors) and refer them for help. It is an intervention, NOT a treatment program. A student assistance program provides a way for school officials to help students at the same time as they are dealing with the student's chemical use as a disciplinary offense. The heart of the program is the student assistance team, a core group of school personnel who are specially trained to work with these students. Core team members receive referrals from administrators, faculty and staff, parents and students themselves. Referrals can be initiated by drug and alcohol policy violations: but more commonly, they happen because of observed changes in behavior or performance, which may or may not be drug related. The team's job is to conduct a pre-assessment to determine if the student can be helped within the school or if the student needs to be referred to an outside agency.

RULES, REGULATIONS AND GUIDELINES

All school district personnel are to report any student who, while under the school's jurisdiction, is under the influence of alcohol, other drugs or mood altering substances, or who possesses, uses, dispenses, distributes, sells or aids in the procurement of alcohol, other drugs or mood altering substances. Students observed doing any of the above behaviors shall be subject to discipline pursuant to the provisions and procedures outlined in this policy.

As a key component of the Freedom Area School District Drug and Alcohol Prevention/Intervention Program, these guidelines represent one component in a district-wide effort to respond effectively to drug, mood altering substance and alcohol related situations that may occur at school or at school-sponsored activities. The following guidelines are intended to provide a consistent disciplinary means to respond to drug, mood altering substance and alcohol related incidents. The Freedom Area School District will provide a consideration for the students' legal rights and responsibilities. The School Board reserves the right to use extraordinary measures

deemed necessary to control substance abuse even if the same is not provided for specifically in any rule or regulation enumerated herein.

BREATHALYZER POLICY

Students reasonably suspected of consuming or having consumed alcohol may be required to take a test, which determines blood alcohol concentration. Only the police shall conduct the test. Refusal to take the test may be considered uncooperative behavior.

If the results are negative and the student still exhibits abnormal behavior, further assessments will be required.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, photograph or likeness, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

Protection of Pupil Rights Amendment (PPRA)

The Protection of Pupil Rights Amendment (PPRA) is a federal law that affords certain rights to parents of minor students with regard to surveys that ask questions of a personal nature. Briefly, the law requires that schools obtain written consent from parents before minor students are required to participate in any U.S. Department of Education funded survey, analysis, or evaluation that reveals information concerning the following areas:

1. Political affiliations;
2. Mental and psychological problems potentially embarrassing to the student and his/her family;
3. Sex behavior and attitudes;
4. Illegal, anti-social, self-incriminating and demeaning behavior;
5. Critical appraisals of other individuals with whom respondents have close family relationships;
6. Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers;
7. Religious practices, affiliations, or beliefs of the student or student's parent*; or
8. Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program.)

The No Child Left Behind Act of 2001 contains a major amendment to PPRA that gives parents more rights with regard to the surveying of minor students, the collection of information from students for marketing purposes, and certain non-emergency medical examinations.
