

**Help your child
develop in the
first five years**

**and you shape
what your child
will become.**

**Free online resources to help
your young child learn and grow**

You want everything for your child. Give him/her everything by sharing your love and time.

The power is in those first five years, when your child's brain is building millions of connections to help him walk, talk, figure things out, and love you. Make the most of this time to help your child reach his/her promise.

**Because every child is Pennsylvania's future
